All Champions members will have American flags and balloons in hand

During the parade, gymnasts will be tumbling (cartwheel, handspring, etc) through the parade when directed. One coach will have a blue flag and one with a red flag. Gymnasts will flip or do tricks when flag is waved...blue for blue, red for red.

We'll be handing out lucky red envelopes to spectators along route.

When we're in front of the Judges Stand, 1) REC classes will perform cartwheel, 2) pre-team will perform handsprings, 2) team will perform flips as choreographed.

We're planning a parade REHEARSAL on Friday, July 3 at 5:30 pm. It will only take about 10-15 minutes.

We'll have 5 lions, martial arts performers, and 2 trucks with drums walking with us.
